A MAGICAL DAY IN HISTORY!

Take a time trip you'll never forget
England's Medieval Festival

AT HERSTMONCEUX CASTLE, NEAR HAILSHAM

in East Sussex, is England's **LARGEST AND MOST SPECTACULAR CELEBRATION** of the colourful Middle Ages. Celebrating its **FOURTEENTH THRILLING YEAR**, this unique event is held over

the three days of the **BANK HOLIDAY WEEKEND** and has welcomed over 150,000 visitors from around the world.

Only at Herstmonceux can you experience the true flavour, sights and sounds of Medieval England. **OVER 2000 AUTHENTICALLY COSTUMED MEDIEVALISTS**

help take you back to a time of heraldry and heroism.

The walls of the fairy-tale **15TH CENTURY MOATED CASTLE AND BATTLE FIELD** come under siege from the massed forces of opposing armies. You can hear the crash of broadswords on

heavy armour; the rallying call of battle cries as the troops are martialled into position; and you can experience the smell of black powder from **SALVO AFTER SALVO OF CANNON FIRE** as the castle walls are prepared to be stormed. Witness the incredible sight of the **SIEGE ENGINE** as it hurls its deadly load toward the castle defenders. **SIEGES ARE MOUNTED DAILY AT 11AM AND 3PM.**

You can hear the eerie hiss of volley after volley of arrows overhead. And when the fighting is over? You can watch **EUROPE'S FINEST BOWMEN** gather to compete for prestige and prizes at the Festival's longbow and crossbow competition. Or try it yourself: **ENTER THE HAVE-A-GO ARCHERY**, with expert instruction from our archers. Experience displays of the **ANCIENT ART OF FALCONRY** in the modern world and learn a thing or two about this ancient craft.

MOUNTED KNIGHTS ON FIERY STEEDS pitch their skills against each other in a contest for supremacy that still wins modern equivalents of ancient prizes. **PICK YOUR CHAMPION!** And cheer him to victory!

Between the battles for the castle, life goes on as normal in the **LIVING HISTORY ENCAMPMENTS** and **EUROPE'S LARGEST MEDIEVAL TRADER'S MARKET**. Here, you can experience the very essence

of medieval life, from the music of **STROLLING MINSTRELS** and the shouts of **CRAFTSMEN AND MERCHANTS** selling their wares, to the alluring smell of **ROASTS OVER OPEN FIRES**. Does this feed your thirst for adventure? Then one way of quenching that thirst is to visit one of the two **ON-SITE MEDIEVAL TAVERNS**, each offering **A FINE**

SELECTION OF AWARD-WINNING ALES and other refreshing beverages.

ENGLAND'S MEDIEVAL FESTIVAL IS A MAGICAL DAY OUT, with activities and entertainment for every member of the family. Children get their own special area of Kid's Kingdom, where they can play medieval games

of skill and chance, meet **MEDIEVAL MAGICIANS**, be entertained by the **WORLD'S GREATEST FOOL** and enjoy the amusing antics of **RUSTY THE DANCING BEAR**. For those who seek solitude amongst the hustle and bustle of daily medieval life, there are the **HIDDEN WALLED GARDENS AND GROUNDS** of Herstmonceux Castle: a walk into a mystical spell itself.
